To Our Patients:

Due to the many changes in insurance policies, it is no longer an easy task to interpret each policy. Although we try stay aware of these changes, it is not always possible.

We ask that, at the time of your visit, you provide us with your current insurance information. Some insurance companies do have a time filing limit. Therefore, if we do not have the proper insurance information and the time filing limit is exceeded, you will be responsible for your balance.

If your insurance company requires that you have a referral from your primary care physician, we ask that this be taken care of prior to your visit and you have it with you at the time of your visit. If you are seen without a referral, you will be responsible for payment at the time the services are provided.

Please remember, your insurance policy is between you and your insurance company and not with the insurance company and your doctor.

As always, we will assist you in submitting your claims to your insurance company. If we are out of network or cannot verify benefits at the time of your visit, we will gladly fill out a claim form for you to submit to your insurance company.

Sincerely,

The Office of Dr. Mark A. Davis, OD
